ABOUT US

Exora Global Exports is a global trading and creative company rooted in India, connecting the craft of Indian manufacturing with world-class creative technology. Founded in 2019 in Pune, Maharashtra, the company began by exporting premium South Indian spices and has since grown into a multi-vertical business spanning export trade, AI-driven creative services, and curated luxury wall art , now reaching partners across more than 15+ countries.

OUR MISSION

To make premium Indian products and creative excellence accessible to businesses everywhere, with a level of reliability that importers and brands can build on.

OUR VISION

To be the most trusted bridge between global trade and creative innovation , recognized for craft, transparency and speed.

CORE VALUES

- Integrity , Traceable sourcing and honest documentation, always.
- Craft , An obsessive eye for quality across everything we ship and create.
- Speed , Global logistics and AI pipelines that move at the pace of business.
- Partnership , We grow when our clients grow; long-term relationships over transactions.

OUR JOURNEY

- 2019 , Founded. Exora begins exporting premium spices from South India.
- 2021 , Coffee & FMCG. Expanded into estate coffee, tea, rice and packaged foods.
- 2023 , Creative Studio. Launched the AI Creative Studio for global brands.
- 2025 , Wall Art store and curated recommendations added to the family.

WHAT WE DO

Exora operates across three complementary verticals:

- Exports , Premium Indian spices, estate coffee, tea, rice and packaged foods, sourced and shipped with traceable, export-grade quality control.
- AI Automations (Studio) , An AI Creative Studio building automation and creative technology solutions for global brands.
- Wall Art , A curated collection of luxury wall art and design pieces for interiors, hospitality and retail spaces.

WHO WE SERVE

Our partners span importers, architects, interior designers, hotel chains, retailers, corporates, startups and real estate developers , businesses that need a dependable, quality-first partner for global sourcing and creative delivery.

GLOBAL REACH

Exora's export network extends across 15+ countries, built on the traditional strength of Indian agri-exports. Typical destination markets for our spice, coffee and FMCG lines include:
